With our afternoon-based GT programme at Bedford Autodrome, guests can enjoy superb hospitality and driving time in some of our most thrilling cars, but without the need to take a full day out of the office. They will be encouraged to push themselves – and our machinery – harder than they may have imagined possible, and all in outstanding safety.

- Three activity programme with live timing, scoring and awards (total driving time is the same as our other half day programmes)
- Centrally located at the purpose built Bedford Autodrome, with huge run-off areas for maximum safety
- Superb instructors who encourage you to drive as hard and as fast as possible
- Smart trackside hospitality suites with excellent catering
- Available for 1 to 45 guests, from March to December
